CREDO FOUNDERS

At Credo, we've pioneered a new kind of project management; where attention to detail and a genuine love of what we do combine to offer our clients the highest quality solutions for their property.

We specialise in both residential and commercial properties, portraying an individual approach to each project and uniquely crafting the design and build to each client's lifestyle and personality to create spaces that are beautiful, comfortable and highly functional.

With a strong emphasis on providing sustainable solutions that work with the environment, we aim to capture the essence of your surroundings and interpret this within your property to achieve excellent results.

MANAGEMENT

Construction underway
Sandunes, Mawgan Porth

They suggested ideas to me which made sense and improved the build. The build is now 4 years old and I am delighted with it.

ROSELAND, CORNWALL

At Credo, we understand project management and combine attention to detail with a genuine love of what we do to ensure we deliver the best possible outcome.

By working with a number of expert tradesmen, craftsmen and engineers in the surrounding area we can successfully manage all aspects of your project; delivering on time, maximising your property's potential and exceeding your expectations.

At Credo, we are committed to ensuring excellence throughout. We make it our business to understand our customers' needs and anticipate their requirements, down to the very last detail.

CARPENTRY

[The Knut, St Just Project »](#)

I have used Credo for a number of years now, and continue to be impressed with the Company's professional and friendly approach, along with the superb results that they repeatedly produce.

WING COMMANDER STEVE RICHARDS RAF

We offer a complete carpentry service, covering every aspect of carpentry from bespoke furniture to loft conversions or complete renovation. We source the finest and most suitable materials and products, with an emphasis on environmental sustainability, to give you the best in quality and design.

As carpenters, we are led by our commitment to excellence. Offering a unique and tailored approach to achieve your ideas, our Ethos is to provide a professional yet friendly service, delivering the highest specification of work.

Undertaking both commercial and residential requests we employ traditional and modern techniques to supply bespoke joinery, bedroom fitting, cabinet making, flooring, door fitting and all other carpentry solutions.

DESIGN & BUILD

Little Tregullus Playing Place»

As architects with a strong focus on sustainable construction we have worked with Credo on numerous projects often with demanding and complex designs and specifications. Credo have always risen to the challenges and consistently execute their work with diligence, creativity, accuracy and attention to detail.

MARTIN PENK ARCO2 ARCHITECTURE LTD

From top to bottom, inside to out, Credo work with a number of designers, architects and experienced tradesmen to take care of every part of your project. From drawing up exciting, fresh designs to delivering a superb quality finish, on time and to your budget.

The success of any project lies in the communication and execution of ideas; firstly we take time to listen to you and discuss your ideas to find the best solution. Our skilled team will then act as central coordinators for each project, managing all aspects of the planning, management and financial control, combined with regular contact and assurance throughout.

By linking design and construction in this way, the process becomes more manageable and will ultimately save you time and money.

CONTACT

Credo is based in Newquay, Cornwall

We believe in the potential of Cornwall and base our business here because of the ever improving infrastructure of the county. The combination of business and pleasure sits at an even balance which is how all of us at Credo like to operate.

We would highly recommend them to anyone who wants a top quality job done by people who care.

MARY ANN BLOOMFIELD, CORNWALL

Credo is based in Newquay, Cornwall, but have provided their services to businesses all over Cornwall and Devon.

Credo's ethos is to provide a professional, friendly and efficient service, delivering the highest specification of work that is unparalleled, meeting the commitment we have to realising our customers and the environments needs.
